

# Episode Outline

by Steve James

A whimsical illustration of a forest at night. The scene is dominated by large, dark brown tree trunks with thick, gnarled bark. Several glowing lanterns hang from the trees, casting a warm, yellow light. The lanterns have a red cord and a small flame inside. In the foreground, there are three wooden platforms or shelves, each with a small, round, brown object on it. The background is a soft, hazy blue-green, suggesting a misty or moonlit night. The overall style is cartoonish and cozy.
